

GRANT AVENUE NATURAL GAS PROJECT

CONSTRUCTION STARTING SOON

Overview

We are installing 1.2 miles of natural gas line in Fort Collins, Colorado for the Grant Avenue Natural Gas Project.

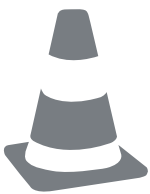

This work allows us to continue to provide safe, reliable service and enhances system resiliency during extreme weather.

Schedule

Construction is expected to begin in June 2022 and continue through fall 2022.

Schedules are subject to change.

Safety

Public safety is at the foundation of all we do. The safety of the public around Xcel Energy's natural gas system influences every decision we make.

If you suspect a natural gas leak, leave your home or business immediately. Once you are safely away, call **911**, then Xcel Energy at **800-895-2999**.

This map is a graphic and may not show exact locations.
