

SHIELDS STREET NATURAL GAS PROJECT

NIGHT TIME CONSTRUCTION IN YOUR AREA

Work in your area

Night work will occur in the intersection of Shields and Stuart streets between 8 p.m. and 6 a.m. the evenings of Saturday, Aug. 12, 2023 and Sunday, Aug. 13, 2023 through the following morning to support natural gas line installation activities.

Through traffic will be allowed on Shields Street. All left-turns in the intersection will be restricted, follow posted detours

During work, you may notice:

- Marking of utility lines and utility survey holes.
- Road and sidewalk closures.
- Traffic control.
- Temporary changes to access.
- Construction noise.

We'll restore work areas to preconstruction conditions as weather allows.

Overview

We will replace approximately one mile of natural gas line along Shields Street between Prospect and Drake roads in Ft. Collins, Colorado.

This work allows us to continue to provide safe, reliable natural gas service and enhances system resiliency during extreme weather.

Safety

Public safety is at the foundation of all we do. The safety of the public around Xcel Energy's natural gas system influences every decision we make.

If you suspect a natural gas leak, leave your home or business immediately. Once you are safely away, call **911**, then Xcel Energy at **800-895-2999**.
